

Do *you* Need CEUs?

Affinity Health Services, Inc. and LeadingAge PA invite administrative leaders of skilled nursing facilities to participate in a three-part webinar especially geared for Administrators and Nurse Managers to understand the MDS process and the impact on your facility. After this training, you will develop a stronger awareness of the process, the effects of the quality reporting, best practices for PDPM and auditing tools that as a leader you can implement for your facility.

AFFINITY HEALTH SERVICE PRESENTERS

Tammy Lucas-Coleman, RN, RAC-CT
Clinical Reimbursement Consultant

Michele Conner, RN, RAC-CT
Clinical Consultant
